Text for questions number 24 to 28.

To : Brad.bennington@gmail.com
 Subject :the state of the school's playground
 Dear Mr. Brady,

I am writing to complain about the state of the school's playground. Over the last three weeks, I have noticed a great deal of litter.

It is my opinion that this litter is a health hazard for kids. For example, yesterday, a 4-year-old boy fell over and cut his hand on a broken bottle. The boy I'm talking about needed four stitches. Furthermore, the litter is an eyesore. Our school has beautiful views of the river and these are spoiled by the litter.

I believe that there are a number of things that you could do to fix this problem. Firstly, it may be possible for you purchase additional litter bins. This would help prevent people discarding their litter recklessly.

In addition, I think that our school needs better security to prevent vandals littering.

In conclusion, I hope you will take my concerns seriously and I look forward to your reply.

Yours sincerely,
Manda Benedict
